

APOGEE STADIUM Commemorative Coin - Own a piece of UNT History

For this year's fund raising event, the Denton Chapter of the UNT Alumni Association will be selling commemorative coins to celebrate the opening of APOGEE Stadium at UNT. The coins will be exact replicas of that used for the coin toss at the first game on September 10, 2011. The coins will be 2" in diameter and approximately 3mm thick and come with presentation capsule to protect and show off the coin. Below, subject to change, is the proof of the coin. The coin will be in limited supply and will be sold for \$15.00 each. In addition, the Denton Chapter will offer the Omega/Alpha package which includes a Fouts Field Farewell Tour mug for the end of Fouts and a Commemorative Coin for the beginning of the new stadium for \$20.00. Pre-orders are recommended and your purchases may be picked up at the Alumni Pavilion on September 10, 2011. For those unable to attend the first game, shipping is available.

Don't miss out on the opportunity to own this coin to celebrate and commemorate the inaugural game in our beautiful new APOGEE Stadium.

The coin capsule is the swiss army knife of presentation options. When carrying your coin in your pocket, having a coin capsule protects the coin itself from your keys and loose change. It also works as a great display and keeps the coin shielded from dust and debris. And of course, the coin capsule serves as a compact presentation case.

Order Form - Apogee Stadium Inaugural Game Commemorative Coin

Yes, I have got to have the Commemorative Coin.

Name: _____

Please reserve ___ coin(s) at \$15.00 each \$ _____ 0
