

North Texas Basketball "Promise of Prominence" Coin

Coach Johnny Jones and his staff, coming off their fifth straight season of 20 or more wins, have assembled one of the University's highest rated incoming classes for the 2011-2012 season. Don't miss out on your chance to witness first hand this year's basketball team as the North Texas Mean Green welcome these new players along with the returning players from last year's team, which lost on a last second shot in the Sun Belt Championship tournament, in what promises to be an exciting season of basketball. With a schedule that includes home games against LSU and perennial Sun Belt powerhouse Western Kentucky as well as away games against Texas, Texas Tech and local rival UT Arlington. This is shaping up to be an exciting season.

In celebration of the University's commitment to advancing and strengthening the prominence of North Texas Basketball in the Sun Belt Conference, regional and national spotlight, the Denton Chapter of the UNT Alumni Association has created the "Promise of Prominence" challenge coin. The coin will be 2" in diameter and approximately 3mm thick and comes with a presentation capsule to protect and show off the coin. Below, subject to change, is the proof of the coin. The coin will be in limited supply and will be sold for \$15.00 each.

Proceeds from the sales of the "Promise of Prominence" coin goes to student scholarships at the University of North Texas.

The coin capsule is the swiss army knife of presentation options. When carrying your coin in your pocket, having a coin capsule protects the coin itself from your keys and loose change. It also works as a great display and keeps the coin shielded from dust and debris. And of course, the coin capsule serves as a compact presentation case.
