

Career Center Events

Spring 2012

Events create a place for employers to promote their company, recruit, and network with future industry professionals. By registering for events you reserve your place at an event catering to a specific group of students. Also sponsorship opportunities allow for you to send an organization of your choice to a skills presentation where you may also attend to represent your company.

Registration

1. Go to CareerCenter.unt.edu
2. Click on the "Eagle Network" tab & sign into Eagle Network
3. Click the "Career Events" tab, select "Career/Job Fairs"
4. Select the event you wish to register for & click the blue word "Register"

Career Center Events *Continued*

Spring 2012

Related Events - Industry Interview Days are designed to coordinate with your company's attendance at the career fairs. This is an opportunity for you to meet one-on-one with students that meet your minimum qualifications for a particular job. These days all include a networking lunch with faculty from respective departments. There is no fee to participate in the Industry Interview Days listed below.

Registration

1. Go to CareerCenter.unt.edu
2. Click on the "Eagle Network" tab and sign in to the Eagle Network
3. Click on the "Career Events" tab, select "Industry Days"
4. Select the event you wish to register for and click the blue word "Register"
